

GRADUATING COLLEGE CREDIT PLUS STUDENTS

You will need to send your official Notre Dame College transcript to the college you plan to attend. Your high school does NOT do this – you must order these transcripts on your own. Below are the steps to follow to order your official NDC transcript.

UPDATED LINK:

- Go to <https://www.credentials-inc.com/tplus/?ALUMTRO003085>
- Follow directions to create an account and order your transcript(s)

Please remember:

- Official copies are currently \$8 (as of February 15, 2018) per transcript
- You will be able to log in and see if your transcripts have been delivered.
- Don't order your transcript until your final grades have been posted!
