

NOTRE DAME – CATHEDRAL LATIN SCHOOL

Dear Diversity Club Members:

We are so excited by the interest we've seen in the club! Our current enrollment is 78 students. Based on responses from to 30+ students who attended a September meeting, we propose the following structure.

Please select which committee you'd like to be your primary focus and attend that meeting this week. Each committee will have an initial planning meeting this week, and then report to the entire group next week. If you can't make the committee meeting, see the supervising teacher. The committees (and meeting dates/information) are:

Solidarity with Marginalized Groups: (Mrs. Nicholson) This group will work on initiatives specifically designed to draw attention to issues of justice for groups who are often left voiceless in society. We will begin our advocacy planning Tuesday (10-3) during Lion Time in Room 230.

Community Building: (Mrs. Kelm) This group will work on education and outreach within our school, planning and designing positive videos, announcements and other events to make NDCL an even more inviting place. We will begin our planning Thursday (10-5) during Lion Time in Room 125.

Service and Outreach: (Mrs. Walsh-Moorman) This group will plan and organize service opportunities outside our school walls. We'll work with local churches and organizations to reach out to the poor and marginalized in our community and beyond. We will begin our planning Friday (10-6) during Lion Time in Room 230.

Lastly, we encourage you to attend this week's Social Justice Club meeting during Lion Time in LC1 on Wednesday, 10-4. We believe that we have a shared vision with that club and welcome you to work with Mrs. Nowak, Miss Brandt and Mr. Plumley towards a more just world.

Have a wonderful Monday! Our full club meeting will be held next week. Listen to the announcements for details.

Sincerely,

Mrs. Walsh-Moorman, Mrs. Nicholson and Mrs. Kelm
