

Instructions for Introducing the Prom Court at Prom

Congratulations Prom Court!

After dinner, we will announce the Prom King and Queen. This usually happens around **8:15pm**.

Before then, make sure you are picture ready:

Ladies – wear your dress shoes

Gentleman – wear your jackets

The DJ will call the Prom Court to come to the dance floor.

LISTEN for that announcement.

- When all of you are on the dance floor, I will introduce you in alphabetical order.
- Then I will announce the King and the Queen.

At that point you'll receive your sashes, flowers, etc. We'll take a couple of pictures on the dance floor. And then Mr. Yaniga will take pictures of you in the lobby for the yearbook.

Come and see me tomorrow before Baccalaureate mass if you have any questions, or email me.
