

Senior Exam Days – Spring 2019

In-class Exams: Friday, May 10 - Gold
Monday, May 13 - Blue

These are regular school days. However, if you have an in-class exam and you are exempt from it follow these guidelines:

- If the exam exemption is in Block 1 or 5 – You do not have to report to school until the second block of the day.
- If the exam exemption is in Block 4 or 8 – You may leave early if you do not have any after school obligations.
- If your exam exemption is in the middle of the school day, report to your class first, then you may go to the Learning Commons.

Exam Days: Tuesday, May 14
Wednesday, May 15

These are special exam days. **You only have to report to exams as they are scheduled.** If you are exempt from an exam, you do not have to report during that exam time. However, if you have a break between two exam times you must remain in school until your last exam is complete. You may study in the Learning Commons as you wait for your exams to begin.

My final tip for you:
